

The **European Society of Pathology** (ESP) is proud to establish the ESP Academy (ESPA) devoted to the promotion of applied and translational scientific research in the field of human pathology.

The **ESP Academy** will take place **23rd – 26th June, 2018, Brussels, Belgium.**

The deadline for submission of applications is **12th January 2018 by 16:00 (4 pm) CET.**

The ESP Academy is:

- an interactive four-day workshop designed to support early career pathologists
- to advance research excellence and innovation among young pathologists and scientists in the field of human pathology
- to identify the best original pathology-relevant research submitted by the best junior Pathology researchers
- to provide a forum to share experiences with senior world leading researchers in pathology
- to engage fellows with mentors and peers to explore scientific concepts, investigate, and solve problems

Admission to the Academy

Admission to the Academy is by competitive application based on the candidate's curriculum vitae, clinical and research experience, significance of the proposed project and level of support from the Home Institute.

Requirements

- Be a member of the ESP
- Have a research doctorate (PhD), a doctoral degree in medicine (MD) or an equivalent scientific qualification
- Be under 35 years of age
- Submit the following documents:
 - 1 Letter of motivation
 - 2 Full curriculum vitae (1-2 pages) with a scanned copy of passport /ID
 - 3 Outline of an ongoing or future research project (not more than 4 A4 pages)
 - 4 Publication list (papers published or accepted for publication in peer-reviewed journals)
 - 5 Letter of recommendation from the Home Institute
 - 6 Letter of recommendation from the National Society of Pathology
