

TRINE TRAMM, MD, Ph.d.

Date of birth: 07.05.1972

Viborgvej 20,
8000 Aarhus C

ORCID-ID: 0000-0003-3894-4552

EDUCATION AND AUTHORIZATIONS

- 2014 PhD degree, Faculty of Health Sciences, University of Aarhus (AU), Aarhus, Denmark
- 2014 Authorization as Pathologist, National Board of Health, Denmark
- 2001 Medical Doctor, Faculty of Health Sciences, AU, Aarhus, Denmark

CURRENT POSITIONS

- 2015- Senior consultant, Dept. of Pathology, Aarhus University Hospital (AUH), Denmark
- 2022- Leader of Research, Dept. of Pathology, AUH, Denmark
- 2014- Associate professor, Pathology, Faculty of Health Sciences, AU, Denmark

PREVIOUS POSITIONS

- 2014-2015 Consultant, Dept. of Pathology, AUH, Denmark
- 2004-2014 Resident, Dept. of Pathology, AUH, Denmark
- 2005-2014 Research assistant, Dept. of experimental Clinical Oncology, AUH, Denmark
- 2001-2004 Internship, Amager Hospital, Depts. Of Medicine and Gastroenterology, Copenhagen County, Denmark
- 2008- 2015 Visiting research assistant (shortterm visits, 1-3 months), Yale New Haven Hospital, Dept. of Pathology, Connecticut, USA

RESEARCH AREA

- 1) Exploration in biomarkers predictive of benefit from radiotherapy, primarily in breast
- 2) Precursor lesions in the breast (e.g., ductal carcinoma in situ, DCIS)
- 3) Optimizing evaluation of resection margins

The research combines molecular methods with conventional histopathology allowing for correct spatial correlation

PUBLICATIONS

64 peer-reviewed publications (12 first author, 3 shared first authorship, 1 senior author), 1 book chapter

H-index (Google scholar)	23
Total number of citations	2655
Field-weighted citation impact	1.24

MEDIA

Educational video on pathological evaluation in breastcancer (Pfizer)

(https://players.brightcove.net/1852113022001/default_default/index.html?videoId=6339837686112)

Podcast on personalized medicine, SundhedsTv, "Doctor to doctor" (AstraZeneca)

SUPERVISION OF UNDERGRADUATE AND GRADUATE STUDENTS

2020- 9 PhD students (2 as main supervisor, 7 as co-supervisor)
2018-2022 4 special assignments and 2 bachelor-projects (medical student, engineer students)

MAJOR GRANTS

MAIN APPLICANT

2023 2.09 mill. Kr Novo Nordisk Foundation
2019 2.65 mill. kr Danish Cancer Society (Kræftens Bekæmpelses Videnskabelige Udvalg)
2020 691.225 kr Health Research Foundation of Central Denmark Region
2016 2.6 mill. kr Danish Cancer Society (Knæk Cancer)

CO-APPLICANT

2023 2.8 mill Kr Danish Cancer Society (Kræftens Bekæmpelse)
2021 2.5 mill. kr Aarhus University Research Foundation
2020 2.13 mill. kr Danish Cancer Society (Kræftens Bekæmpelses Videnskabelige Udvalg)
2019 1.27 mill kr Danish Ministry of Health

INSTITUTIONAL RESPONSIBILITIES

2019-2023 Member of AUHs Research Council

COMMISSIONS OF TRUST

Scientific evaluation

Opponent of 1 PhD thesis (2024, SDU); Chairman of 1 PhD evaluation committee, (AU, 2023);
Evaluator of 1 bachelor-project (2018, AU)

Scientific boards

2015- Member of DBCGs Pathology Committee
2011-2013 President of FYPA (Association of Young Pathologists in Denmark)
2011-2013 Board member of DPAS (Danish Pathology Society)
2009-2011 Board member of FYPA

Editorial boards

2021- Editorial board member, Radiotherapy and Oncology, IF 6.28
2020-2023 National Editor, APMIS, IF 3.21

ORGANISATION OF SCIENTIFIC MEETINGS

2022- co-organiser, Annual Research Meeting, Institute of Clinical Medicine, AU
2014- co-organiser, Aarhus Breast Surgery Workshop
2012-2013 co-organiser, DPAS yearly meeting

MAJOR RESEARCH COLLABORATIONS

Prof. **Therese Sørli**, Dept of Cancer genetics, Oslo University Hospital, Norway, Prof. **Fattaneh, Tavassoli**, Dept. of Pathology, Yale New Haven Hospital, USA, Prof. **Jana Boniface**, Dept. of Breast Surgery, Capio St Göran's Hospital, Stockholm, Sweden, Prof. **Jens Overgaard**, Dept of Experimental Clinical Oncology, AUH, Denmark, Prof. **Birgitte Offersen**, Dept. of Oncology, AUH, Denmark, Lector **Martin Roelsgaard Jakobsen**, Institute for Biomedicine, AU, Denmark, Ass. Prof. **Deirdre Cronin-Fenton**, Dept. of Clinical Epidemiology, AU, Denmark, Lector **Ebbe Bødtkjær**, Institute for Biomedicine, AU, Aarhus, Denmark
